

Managed Care E&O

Managed Care E&O for Organizations That Seek Coverage* for Today's Changing Environment

In today's complex and challenging healthcare environment, managed care organizations face unique risks and liability exposures around network design and other issues associated with the Affordable Care Act's provisions and requirements. OneBeacon Healthcare Group® provides access to healthcare industry expertise and tailored products*, all delivered through our dedicated team of managed care specialists. What's more, as a member of OneBeacon Insurance Group®, our solutions are backed by the financial strength of OneBeacon.

Our insight into the intricacies of the managed care environment, combined with our broad and deep industry experience, sets us apart in this marketplace. With an end-to-end approach highlighted by our unique risk management resources and knowledgeable claims team, we address the needs of managed care clients.

Specialized Protection and Features

- Definition of managed care activity expanded for potential new areas of risk, including calculation of medical loss ratio with related distribution and quality improvement organization programs
- Punitive damages coverage—most favorable venue where permitted
- Simple and insured centric language that is clear and understandable
- Carveback to the insured vs. insured exclusion for qui tam action claim expenses
- E&O dovetails with the management liability policy
- Definition of claim alleviates certain reporting uncertainties by recognizing that demands for internal member or provider reviews/appeals are part of the normal course of business for managed care accounts, not claims
- Claim expenses include costs of electronic discovery and, with our consent, public relations consultant expenses
- Simple and logical approach to related claims

Limits

- Up to \$20 million in capacity
- Primary and excess coverage available

Eligible Risks

Managed care organizations of all sizes and categories including:

- Health Maintenance Organizations (HMOs) and Preferred Provider Organizations (PPOs)
- Independent Practice Associations (IPAs) and Physician Hospital Organizations (PHOs)
- Management Service Organizations (MSOs)
- Quality Improvement Organizations (QIOs)
- Utilization Review Organizations (UROs)
- Accountable Care Organizations (ACOs)
